Introduction 1

What Is Planning? 1
How Is the City Authorized to Plan? 1
Why Plan for Royal Oak? 3
What Process Has Been Followed? 3
How Is the Master Plan Different from Zoning? 6
How Has the Community Been Involved? 6
Who Is Responsible for Planning & Zoning? 6

Goals, Objectives & Strategies 9

Neighborhood Preservation & Residential Land Use 10
Historic Resources 16
Downtown 17
Commercial Corridors 21
Woodward Corridor 24
Transportation & Circulation 28
Parks & Recreational Uses 31
Community Resources & Facilities 34

Land Use Plan 37

Residential 37
- Low Density Single-Family Residential 37
- Medium Density Single-Family Residential 38
- Attached / Detached Single-Family Residential 38
- Multiple-Family Residential 38

Mixed Use 39
- Residential / Office / Public / Institutional 39
- Residential / Office / Commercial 40

Commercial & Industrial 41
- General Commercial 41
- Central Business District 41
- Industrial 43

Parks & Open Space 43
Public & Institutional 44
Future Land Use Map 45

Implementation 47

Zoning Requirements 47
Zoning Plan & Zoning Map Adjustments 47
Zoning Ordinance Text Amendments 48
- Form-Based Coding & Building Standards 49
- Sustainability, Green Building, & LEED® for Neighborhood Development 52
- Off-Street Parking 53
- State Legislation 54

Neighborhood Preservation 55
Areas Adjacent to the Central Business District 55
- Definitions 56
- Establishment of Overlay District 57
- Existing Two-Family and/or Multiple-Family Uses 57
- Existing Commercial 57
- Mixed Use – Residential / Office / Public / Institutional 57

Downtown Development 58
Transportation & Circulation 58
- Complete Streets 58
- Context-Sensitive Design 60

Commercial Entry Corridors 61
