

Commission Memo
RE: **ARRA Update for Road Funding**

January 28, 2010

The Honorable Mayor
and
Members of City Commission

The Engineering Department was notified in December, 2009 that additional ARRA Funding was anticipated for eligible projects listed on the Transportation Improvement Program through the Oakland County Federal Aid Task Force.

The Engineering Department in anticipation submitted two streets for consideration:

Lincoln Ave. from Campbell Rd. to Stephenson
N. Main St. from 13 Mile Rd. to the N. City limits.

On January 22nd the Engineering Department met with MDOT officials for the grade inspection and plan review. Construction for these two ARRA projects is anticipated for the summer of 2010. The estimated ARRA Funding is \$897,000.

Respectfully Submitted,

Approved,

Elden R. Danielson, P.E.
City Engineer

Donald E. Johnson
